ABOUT
EASTGROUND
SOLUTIONS

ABOUT EASTGROUND

We are a Mozambican company with strong global partnerships that allow us to serve timely and fulfil our customer's necessities.

Our network in the global marketplace gave us the ability to be customers oriented and have tailored solutions for the different challenges. Therefore, offering enormous competitive advantages to our partners and customers.

OUR VALUES

Everything we do in our business is guided by the principles and values that serve as the beginning and finish of all we do and shape our behaviour.

Ethics

Creativity

Ambition

Trans-
parency

Creative
Energy

OUR MISSION

We focus on providing efficient and effective solutions in an innovative way for different industries through state-of-the-art technologies.

KEY STRATEGIC FOCUS

PEOPLE

The essence of our success, which allows us to meet customers' needs is to work with people with ideas, talent, and energy who are willing to learn.

CUSTOMER EXPERIENCE

Our products, services and solutions possess outstanding quality due to our customer-centred strategy, therefore adding massive value to the final result.

PROCESS EXCELLENCE

EASTGROUND Solutions continually improve quality through process optimization and R&D, steering the company and business to excellence.

GROWTH

To guarantee new opportunities, we always ensure delivery on time and desired quality. Besides, we guide our winning strategies based on our ethical values and integrity guidelines, consolidating the trust we have from our customers.

“

Everywhere we operate, we're committed to working with integrity – doing what is right, and doing what we say we will do. We care as much about how results are achieved as we do about the results themselves.

SERVICES

Our products and services are essential to local and global economic growth. We provide the materials for many areas, enabling better work and living standards, thus facilitating greater prosperity.

PROCUREMENT

We are a dedicated procurement, global supply and logistics provider catering worldwide. We constantly develop our advanced technologies to deliver cost savings and increase efficiency for our clients.

LOGISTICS

We offer customised freight forwarding, international and in-country logistics. We work according to internationally recognised packaging standards.

SUSTAINABLE SOURCING

By engaging social and environmental factors in the supplier selection process, we achieve a long-term goal of sustainability in our supply chain. Thus, improving upon environmental and social goals as a core corporate objective.

OUTSOURCED SOLUTIONS

For a variety of high-quality and cost-effective solutions for all types of industries.

SUPPLY CHAIN MANAGEMENT

Supply chain management is more than ensuring that the various links in your network are operating correctly.

SERVICES

Our products and services are essential to local and global economic growth. We provide the materials for many areas, enabling better work and living standards, thus facilitating greater prosperity.

WAREHOUSING

Our warehouse allows us to consolidate our client's orders, providing a cost-efficient solution.

TRANSPORT

We are specialists in transportation, with dedicated logistics, offering intelligent solutions, experience, and the operational capacity to make the difference.

SITE PRESENCE / MAN ON SITE

Our Team of on-site logistics experts are highly flexible and exposed to various industrial verticals offering on-site logistics services. Therefore, helping clients design and deliver scalable solutions tailored to your individual business needs.

SWORN DOCUMENTS TRANSLATION

We have a department specialised in sworn, certified and legalised translations for almost all language combinations.

CUSTOMS CLEARANCE SERVICE

EASTGROUND Solutions has extensive knowledge and experience in dealing with customs issues. We provide standard services that contribute to an effective customs process.

INDUSTRIES

EASTGROUND Solutions is a global sourcing and supply chain services provider, with headquartered in Mozambique, covering an extensive range of products and services for multiple industries.

OIL & GAS

On-time solutions for all your upstream, midstream and downstream operations no matter where you are.

MINING

From copper mines to gold and nickel mines, our experienced team of buyers will work with you to ensure all your procurement needs are satisfied.

RENEWABLES

Wind, solar, hydro or ethanol from sugar plants. West indigo Solutions is your partner of choice for your strategic sourcing.

TRANSPORTATION

We provide solutions for all transportation modes, including international freight forwarding and supply chain solution development. Besides, offering custom-made and integrated solutions covering from the point of loading to the delivery point.

INDUSTRIES

PUBLIC SECTOR

Public infrastructure projects and consumables for all public sector needs

CONSTRUCTION

No matter the project size, EASTGROUND Solutions is your partner of choice for earth moving machines, power and hand tools, PPE, and all your overall construction needs.

POWER GENERATION

Our industry experts will help you in all aspects, guaranteeing minimal environmental impacts, ensuring that regulations are met, and safety is taken into consideration at every stage.

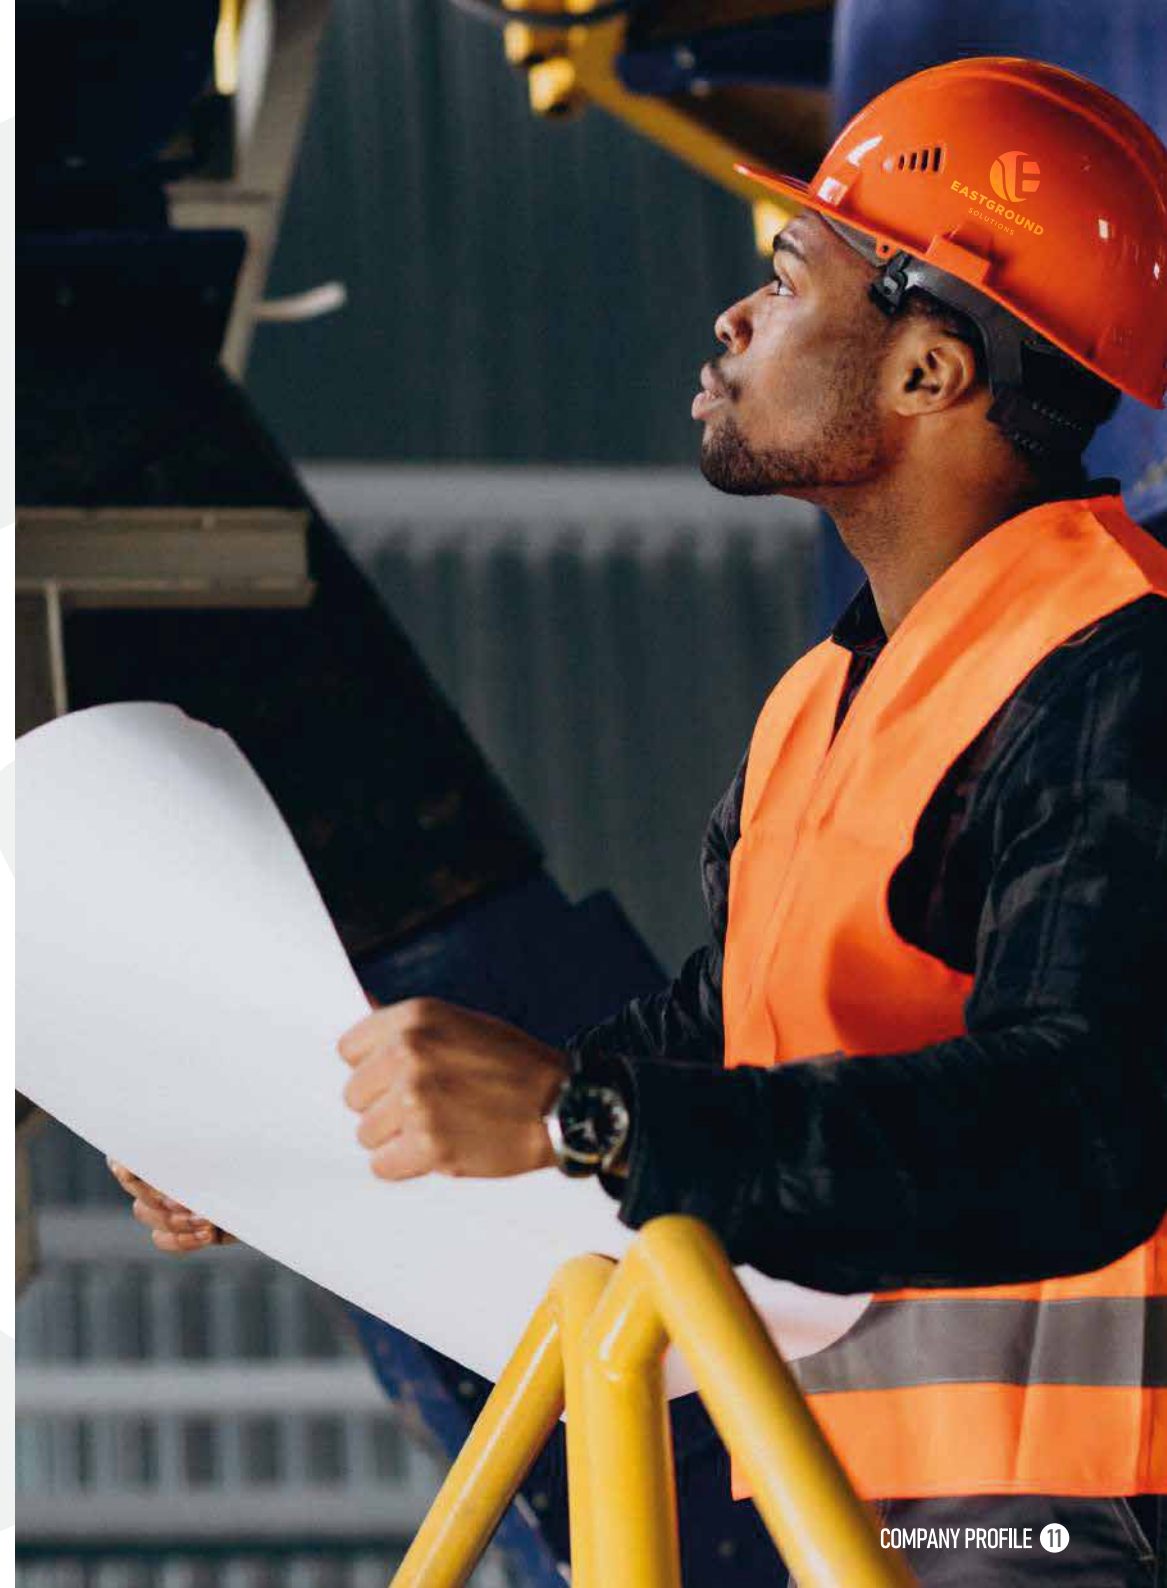

INTERNATIONAL AID

Our strategic partnerships with manufacturers, wholesalers and distributors of medical supplies and healthcare equipment place us in an ideal position to cater to all your medical supplies needs.

HEAVY EQUIPMENT

We provide solutions for large projects in diversified areas of heavy and large equipment.

COMMON CATEGORIES

WE SUPPLY

EASTGROUND Solutions is committed to integrity, and we adhere to the highest standards in providing services to our clients. Our approach to ethical behaviour and meeting deadlines has been recognized by our clients.

 GENERAL MRO	 SAFETY AND PPE	 PIPING, FITTINGS, FLANGES	 COMPRESSORS VEHICLES AND PARTS
 HAND & POWER TOOLS GENERATOR SETS	 VALVES AND ACTUATORS LUBRICANTS & CHEMICALS	 FIRE SAFETY	 IOT
 TOOL CALIBRATION	 PUMPS	 DRILLING & WELL INTERVENTION	 GENERAL STEE
 IT & NETWORKING EQUIPMENT	 PAINT & COATINGS	 CRANES AND LIFTING EQUIPMENT	 INSTRUMENTS AND CONTROLS
 DOCK FENDERS & EQUIPMENT LIGHTING (EXPLOSION PROOF)			

CUTTING-EDGE PRODUCTION TECHNOLOGY CARE

At **EASTGROUND Solutions**, we invest each year in cutting-edge technologies to maintain and further improve the high quality of our solutions. State-of-the-art technologies and innovation are two main elements that bind our solutions chain together and allow us to achieve results with significant added value.

We employ various "**LEAN**" and "**KAIZEN**" processes to achieve consistent quality in product and information, thanks to our integrated IT platform.

COMPLETE CUSTOMER CARE

We have excellent online support systems, and our partners and customers have access to state-of-the-art interactive products and services. We aim to provide performance improvement and continuous assistance throughout the entire product/project life-cycle.

PRE-SALES

Wherever a request comes, our engineers can quickly follow up on inquiries. A dedicated team which is oriented to concept development offers assistance and innovative solutions.

AFTER-SALES

We can help you maintain the efficiency of your production, turning costly downtime into profitable uptime. We offer support with spare parts, maintenance, technical and field support, including help desk assistance.

TRAINING

We organize and offer a variety of standardized and customized courses, including how to operate safely and efficiently, perform proper maintenance, and troubleshoot.

You can count on our support at any point. We have sophisticated tools that guarantee the fast and effective resolution of eventual doubts and problems.

ETHICS AND COMPLIANCE

Our core values unite us, our clients and our partners. These values mean we act with integrity and treat every employee, customer, partner and supplier with trust and respect. Acting with integrity also means that we comply with all laws, rules and regulations.

EASTGROUND Solutions Ethics and Compliance Program seek to ensure that the company's business practices comply with applicable laws, regulations and ethical business principles, as well as contribute to a culture of integrity. We are committed to integrity and ethical business practices as we continue to earn the trust of our customers by providing excellent customer service and acting ethically in all that we do. Our integrity is guided by our Code of Conduct, which outlines the fundamental legal guidelines we must follow and the general ethical principles that will help us make the right decisions when conducting business worldwide.

MONITORING THE APPLICATION OF THE CODE OF ETHICS, WE PAY ATTENTION TO:

ENSURING TIMELY DISCLOSURE

IMPLEMENTING APPROPRIATE TRAINING PROGRAMMES

ADOPTING AN APPROPRIATE SYSTEM OF SANCTIONS IN RELATION TO POSSIBLE INFRINGEMENTS

ADOPTING APPROPRIATE PROCEDURES FOR THE REPORTING, INVESTIGATION AND PROCESSING OF ANY INFRINGEMENTS

ENSURING CONFIDENTIALITY REGARDING THE IDENTITY OF THOSE WHO REPORT ANY VIOLATIONS

PERIODICALLY VERIFYING COMPLIANCE

GET & UNDER CARRIAGE

Trackrollers.
Trackchains.
Sprockets.
Idlers
Blades.
Endbits.
Heelshrouds.
Lipshrouds.

CYLINDERS & REPAIRS

Booms
Pedestals
Hydraulic cylinders
Cylinder maintenance
Cylinder repairs

FORKLIFTS & CONTAINER-HANDLERS

Electric forklift trucks.
Rough terrain forklift.
Diesel and petrol forklift trucks.
Electric forklift trucks.
Truck mounted forklifts.

TYRES & WHEELS

Off The Road (OTR) tyres & wheerims:
Forklifts,
Container handlers
Dumprucks
Tractors.

LIGHTINGTOWERS

LED light towers.
Mine spec lighttowers.
Skidlighttowers.
Parts & lamps for lighttowers

CRANE & TRUCK PARTS

Engine repair parts.
Cranes(Terex,Liebher,Genie, Hyva,Ferari).
Forklifts (Manitou)
Trucks (Iveco,Volvo)
Yelow metal equipment parts

FEEDERS&SCREENS

Vibrating feeders.
Vibrating screens.
Vibrating grizzlies.
Vibrating motors.

GEARSANDCOUPLING

Planetary Gears.
Helical and Bevel-Helical Gear Units.
Flexible Couplings.
Torsionally Rigid Couplings.
Backlash- Free Couplings.
Hydrodynamic Couplings.

LUBRICANTS

Industrial oil and greases.
Pressure sprayers.
Oil trolleys.
Hose reels.
Grease pumps.
Fuel handling (nozzles, meters).

**PULLEYS,
ROLLERS&FRAMES**

Pulleys & shaft design.
Conveyor pulleys suitable for all requirements.
Dead shaft oil pulleys.
Rubber & lagging of conveyor pulleys.
Rollers: gravity, line shaft, castflex, PVC and powered.

CYLINDERS & REPAIRS

POWAPLY (200kN/m - 3150kN/m).
POWACORD (500kN/m - 6300kN/m).
POWASOL (from 800kN/m - 3150kN/m).
FLEXTECH (315kN/m - 800kN/m).

**OVERHEAD
CRANES&HOISTS**

LED light towers.
Mine spotlight towers.
Skidlight towers.
Parts & lamps for light towers.

**MOTOR REPAIR
(ARMATURE REWINDING)**

Rewind and recondition AC and DC motors. Specializing in mine tv raction loco motor sand winch motors. Weal so repair vibrator motors, pumps and pump motors, transformers welding machines and ventilation fans.

CO2 REFRIGERATION

No Ozone Depletion Potential(ODP) on hand. Thermo dynamic properties,making it over10% more efficient.

VALVES

Buterflyvalves. Controlvalves. Specialyslry valves. Knifegatevalves. Checkvalves. Pneumatic& electricactuators. Controls. Double & triple ofset valves.

MOTORS

ACmotors. Electricmotors. Gearmotors. Gearunits. Servomotors. Linearmotors. Quality approved motorrepairs.

BEARINGS & HOUSING

Industrial oil sandgreases. Pressure sprayers. Oil troleys. Hosereels. Grease pumps. Fuel handling(nozzles,meters)

PUMPS

Progressive cavity pumps. Twinscrew pumps. Centrifugal pumps. Gear motors. Electric motors. Gear pumps. Chemical handling pumps. Magnetic drive pumps. Industrial motors.

WATERPURIFICATION

Onsite or offsite micro water purification plants.
No CAPEX cost, AfriGrown installs the plant at their own cost.
Always have access and sufficient availability to fresh drinkable H2O.

COMPRESSORS & MAINTENANCE

Oil-flooded rotary Screw air Compressors.
Air compressor dryers & air compressor filters.
Centrifugal compressors.

DRONE INSPECTION SERVICES

Trained drone pilot and drone software
Engineer will survey your site, locate potential safety hazards and leaks (via thermal imaging).
under water drones coming soon

PIPE INSPECTION

Pipe CCTV inspection.
Pipeline condition assessment.
Light detection and ranging.

SITE AUDITS

Energás petro offers the niche service of site audits. We work along with the user to make sure they are happy with the current equipment being used, that the part number matches the one on the system and if the descriptions match what is needed.

WASTE MANAGEMENT

Waste oil & grease removal from site and environmentally friendly re-refined. Re-refining your waste tyres, belts, crates, pallets, plastic bottles and wet waste using pyrolysis to transform this waste into electricity or a high grade diesel.

GRINDING MEDIA

High chrome grinding balls.
Forged grinding balls.
Grinding rods.
Cast iron cylpebs/eclipsoids

CASTINGS & FABRICATION

We sell over 2000 casted and fabricated parts, brake shoe holders, coupler level, equaliser spring seat, gearcases, frame key, frictionpads.

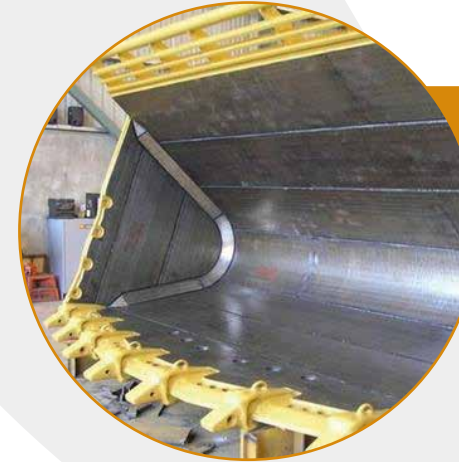

BUCKET REPAIRS & FABRICATION

Repair of damaged buckets or re-lining of wearplates.
Fabrication of any custom buckets.

RADIATOR REPAIRS & RECORE

Repair & recore of radiators for heavy machinery. Collection and return to your site, of any size radiator.

STEEL & WEARPLATES

400 wearplates.
450 wearplates.
500 wearplates.
600 wearplates.
Extreme wearplates.

PIPING

Design of pipework. Fabrication of pipework (stainless steel, Carbon and HDPE). Installation of pipework

FABRICATION & ENGINEERING

Structural steel.
Platework.
Gangway planks.
Fixed ladders.
Bolts & nuts.
Flanges.

LIGHTING

Floodlighting, including stadium power.
Bulbs(LED,MV,HID).
Marine lighting.
Signaling.
Highbays.
Balasts.
Starters.

CABLE

Low voltage.
Medium voltage.
Flexible cable(welding,trailing).
D LO cable (diesel locomotive).

INSTRUMENTS

Level & pressure instruments.
Flow meters.
Position sensors.
Thermal imaging camera.
Motion control sensors.
Flow detectors.
Pressure transmitters.

ELECTRICAL EQUIPMENT

Industrial plugs & sockets.
Isolators.
Circuit breakers.
Relays.
Medium to high voltage drives & parts.

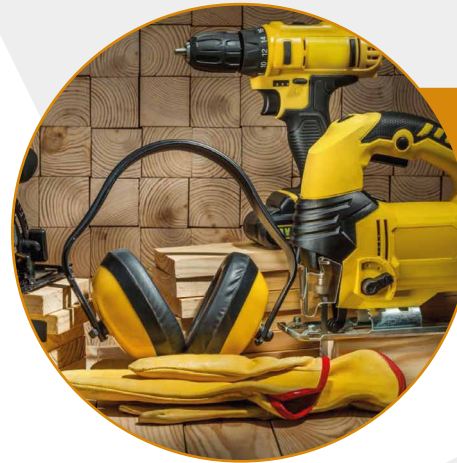

EXPLOSION PROTECTED ELECTRICAL EQUIPMENT

Control boxes.	Remote/O.
Distribution boards.	Circuit breakers.
Monitoring systems.	Contactors.
Operator interfaces.	Busbar systems.
Automation interfaces.	Motor protection.
Isolators.	Relays.

FIRE SAFETY

Fire cabinets.
Fire extinguishers.
Fire suppression systems.
Fire detection
Fire hoses & reels
& hose adapters.
Fire safety PPE.

TOOLS & POWER TOOLS

Hand tools.
Hand tool attachments.
Powertools.
Power tool attachments &
consumables.
Pneumatic tools.

PPE

Respiratory protection.
Head, face and hearing
protection.
Protective clothing.
Hand protection.
Foot protection

WELDING & ABRASIVES

Electrodes.
Welding machines.
Cutting equipment.
Cutting discs & grinding
discs. Finegrinding &
finishing.
Burs & mounted points.

IT & NETWORKING

Crack Fleet Management Solution.
Networking Software.
Licencing.
Switches.
Batory Control System.
Routers.

SECURITY

Metal detectors.	Riotgear.
Batons & nightsticks.	ATVs & segways.
Hand cuffs.	Speedtrappers.
Non-lethal weaponry.	Breathelisers.
Nightvision.	Stunguns.
ID scanner.	Dronebusters.

STAINLESS STEEL TANKS

Non-corrosive standard A grade stainless steel tanks. Custom non-corrosives stainless steel tanks.

CONTAINERLINERS

Container liner.
Film liner.
Woven liner.
Fluidize liner
Thermal liner.
Single-bar line.
Bar-lessliner

WATER TANKS

Sectional steel tanks, standard tank panel size either 1220mm or 990mm square. Circular tanks, range from 7700 litres to 1136000 litre capacities.

SPILL & LEAK CONTROL

Spill decks.
Absorbents.
Spill kits(24 or 1000liters).
Pipe repair bandages.

WOVEN BAGS

Woven Bags they range from 2.5kg to 140kg holding capacity. Heavy cees jute bag & FIBC jute bags. Woven bags from 80-120cm & comes in single trip, multi trip & heavy duty polypropylene.

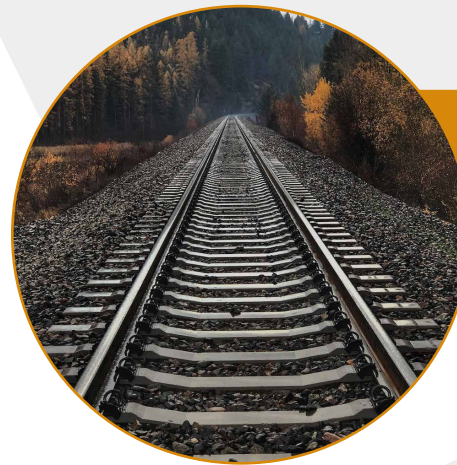

TURNOUTS

Afri Grown has a wide variety of turn out points for various rail applications. We sell turn out points as new, relay and re-conditioned.

FISH PLATES

Glued insulated fish plate.
Compromised joint bar.
Common rail joint. Bulge drill joint FISH PLATES

RAIL

BS90 steel rail.
BS75 steel rail.
JIS22kg rail road high trail.
S18 light steel rail.
Grade A rail for gantries.

GANTRY RAIL

Cranerails—with thick webs.
Railways rail style—with relatively thin webs.
Sections which are rectangular but have flanges to form a foot.

FASTENING SYSTEMS

Fistclip. Pandrol fastclip.
Fasteningsystem for concrete sleepers.
Standard to custom E-clips.

TRACK MAINTENANCE EQUIPMENT

Maintenance motor cars.
Sleeper changing machines.
Tamping machines.
Rail road excavators.
Handling machines.
Measurement equipment.

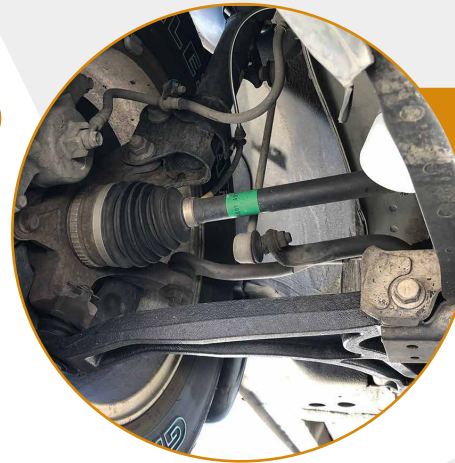

CONCRETE SLEEPERS

4cm min to a 12cm max standard concrete sleeper.
Universal concrete sleepers.
Specialised sleepers.
Rail transition sleepers.

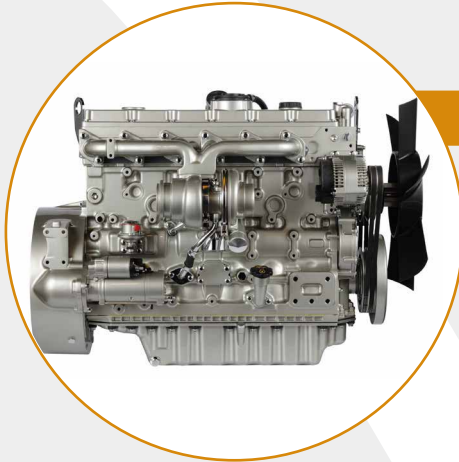

WOODEN SLEEPERS

We only stock top-of-the-line A-grade wooden sleepers.

AXLES

We make various Axle systems: High speed rail way train axles, Powered rail way hollow axles, Non-powered railway axles.

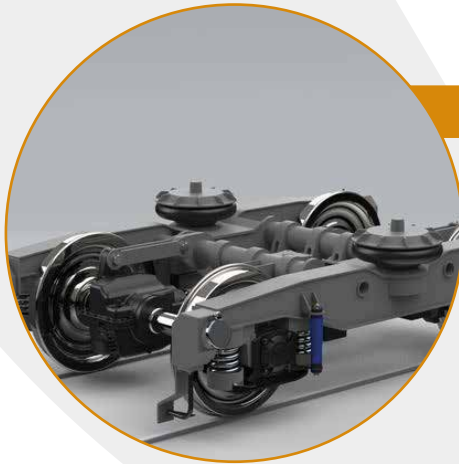

ENGINEE COMPONENTS

Traction motor support bearings.
Oil wicks & covers.
Rotary vacuum pumps
P.C. boards.
Motor coils & brush holders.
Fuel injectors.

SIGNALLING

Before the crossing signs. On the road signs.
Signs at the crossing.
Controlboxes.
Allighting for signaling.

BOGIES

Standard 3-piece bogies.
Steerable bogies.
Motor bogies.
Bogie frame.
Bogie transom

CAB ACCESSORIES

Bels.
Cardholder.
Coupler.
Door-cabinets.
Door-windows.
Gauges & glass.
Handbrake.
Handrail and supports, heater & AC.
